How I feel about this prison writes ~~in~~ Class. The class Mr. Bourgeois has started teaching here at Parchman has been the most liberating classes I have ever been thru. It has helped in being able to express my self in ways I did not believe possible. It helped me to understand a side of me that I never ever wanted to face, much less put down on paper. Before this class I would not express myself on paper because because I always felt like I would look stupid but since taking this class I now know I can express myself on paper without looking like a complete idiot.

I am grateful to Mr. Bourgeois for all he has done in bringing us this class. I appreciate the chance to have taken this class & would love to attend any other classes he brings here & gives me the opportunity to take. This class has been a breath of fresh air in a place stale with the oppression and tyranny of prison politic's. Thank you Mr. Bourgeois for your time & diligent teaching. Keep up the good work. This place needs more people like you.
